MAPPERTON WEDDINGS CATERING INFORMATION

Mapperton's catering is led by local chef Joanna Fowler, who can provide a range of delectable and locally-sourced food worthy of Dorset's finest country house wedding venue. Joanna's style of cooking is inspired from all over the globe but is best described as British Modern. She takes great pride in creating menus that incorporate your ideas and has inventive menus for all budgets. All the food is homemade, from medlar jelly and sorbets to hand cut pommes-frites and beautiful desserts.

Joanna can provide hot and cold canapés, as well as sumptuous three to five course meals, tailored to your tastes, with inspiration from France, Italy and the Far East. From paella to curries to tagine, she can also provide a full range of international cuisine.

Joanna will be delighted to meet and prepare a menu to suit your tastes and budget. Joanna does not provide set price menus, as each event is unique and the catering costs will reflect this.

However the following is an indication of the catering costs of typical wedding at Mapperton for 100 people:

- 3 canapés, buffet and mini dessert buffet from £24 / head
- 3 canapés, served three course meal and dessert from £36 / head
- Staffing costs from £8 / head (buffet) or £10 / head (served)
- Hire of glassware, linen, crockery, cutlery from £8 / head

"Thank you so much for such a well organised day and such a successful one. The staff were amazing, so hard working and the food very good."

Michael Edmonds, August 2017

"I had lots and lots of compliments about how good the food was and at least three people said they wanted your food at their wedding. Personally, I have to have that chocolate pudding again... somehow!!"

Mr P. Buckler, September 2017

"Just wanted to say a huge "thank you" for doing such an amazing job, we couldn't be more delighted, our guests were hugely complimentary. A wonderful day was had by all."

Mrs Stokes, May 2017

We can also offer catering by Hungry Mule, based in Bridport. See <http://hungrymule.co.uk>.

Note that in exceptional circumstances we may agree to an alternative caterer, in which case a £500 fee is payable.
