ACCOMMODATION

We understand that weddings are a wonderful opportunity to bring friends and family together from afar. For this reason we have brought together the best local accommodation, including our own Garden Cottage which has been recently redecorated to the highest standards.

We have also partnered with three other outstanding local providers: The Ollerod Hotel in Beaminster, Laverstock Farm near Stoke Abbott, and North End Farm near Chideock.

Together with our partners we can provide over 100 beds (though some of these may require a minimum two night stay). We can also arrange transport to make everyone's travel arrangements as smooth and safe as possible.

You can find out more about our partner accommodation below. In addition, you will find a list of other local hotel & self-catering providers.
